2. **LEFT** under the arbor, then quickly back **RIGHT** through and exit the herb gardens.
3. Turn **RIGHT** to **cross the street** at left end of small parking area and cross cable to continue ahead on the Wagon Road Trail past the butterfly garden, across an abandoned paved roadway and past the maintenance building.
4. **Continue** on the Wagon Road Trail passing under Bethabara Blvd and the railroad trestle and on to Hines Park (soccer fields)
5. As trail enters the park bear **LEFT** across Mill Creek, then **RIGHT** to a dirt/gravel road at the end of the field.
6. **Follow the gravel road**, as it becomes a paved roadway between a large warehouse on the left and a self-storage unit on the right. **Continue** to the cross street (Shattalon Drive, no sign). *To the left at Shattalon Drive is a Flowers Bakery Outlet store. You may purchase Snacks and drinks here, but there are NO public restrooms.*
7. **CROSS** Shattalon Drive and enter the Sara Lee Soccer Field complex then **RIGHT** across the parking area to the edge of the soccer fields adjacent to Mill Creek.
8. **LEFT** between the fields and the creek to a bridge crossing the creek at midfield.
9. **RIGHT** across the creek then **LEFT** on the service road following it to a cross street, (Hanes Mill Road, no sign)
10. Angle **LEFT** to the left end of the guardrail across Hanes Mill Road.
11. Continue **LEFT** along Hanes Mill Road across Corporate Square Drive to the next driveway to the right.
12. **RIGHT** on the driveway (entering the Sara Lee Campus) following as it curves left toward the first building.
13. Just before the building turn **RIGHT** past the end of the building then **LEFT**, down a few steps a short distance to a walkway crossing between two ponds.
14. **RIGHT** on the walkway, crossing between the ponds, then as you approach the next building turn **LEFT** to circle clockwise around the end of the building and along the full length of the opposite side (passing 3 sides of the building).
15. **LEFT** across the parking lot to a footbridge on the right crossing over to the SciWorks grounds and continue a short distance across the grassy area to a paved walkway.
16. At the paved walkway turn **RIGHT** through the gate into the SciWorks nature trail area.
If the nature area is not open, continue ahead past the museum and jump to instruction no 20
17. Follow **counterclockwise** around the nature trails and return to the same gate where you entered.
Restrooms are available to the right shortly before leaving the park
18. After leaving the nature trail area bear **RIGHT** to and then past the main museum building, continuing on to the street (Mercantile Dr, no sign)
19. Cross the street then turn **RIGHT** and walk on the left side of the street.
20. Follow Mercantile Drive to its end at University Pkwy, passing the Madison Park Campus of High Point University.
21. At University Pkwy turn **RIGHT** a short distance, across the creek then **RIGHT** on the first driveway and, after a short distance, **RIGHT** to the track.
22. **RIGHT** around the end of the track and follow on to the far end. As the track turns back to the left, continue ahead along the creek, following back to Hanes Mill Rd and the entrance to the Sara Lee Soccer Fields.
23. Upon entering the soccer fields bear to the **LEFT** to the timberline and the Historic Wagon Road following to the end of the soccer field complex.
24. **RIGHT** from the Wagon Road across the end of the soccer fields and follow the service road back to the bridge across Mill Creek. **LEFT** across the bridge and immediately **LEFT** between the creek and the soccer fields.
25. **RIGHT** along parking area to driveway then **LEFT** on driveway to cross Shattalon Drive (no sign, by Bakery Outlet)
26. **Continue Straight ahead** on the street between the self storage area on the left and the large warehouse on the right to the Hines Park fields
27. Upon entering the soccer field area bear **LEFT** across the corner of the field to the bridge across Mill Creek
28. Then bear **RIGHT** to the Wagon Road Trail (to the left of Mill Creek) and follow to cross Bethabara Road to the Bethabara Park garden area.
29. **LEFT** through the herb gardens then along the apple trees to the front of the fort and **LEFT** across Bethabara Road to the Visitor Center.
