**Water & Sewer Rates:** Due to the complexity of the tiered water and sewer rates, please see at <http://www.utilities.cityofws.org> or call *City Link* at 727-8000 for more information.

- For FY 09-10 water and sewer rates includes a new tiered rate structure and rate increases of 5% for water and 9% for sewer. The new tiered rate structure is intended to provide a conservation pricing signal whereby consumers who use more water will pay more for the service.
- The new tiered structure is effective as of July 1, 2009.
