

**DISCONTINUED PROJECT
AFFIDAVIT**

**City of Winston-Salem
Inspection Division**

Our records show no inspections on this project in the last 12 months. If you are still working on this project, this affidavit must be returned to the Inspections Division within 30 calendar days to reactivate your permit. Contact our Customer Service Clerks or use our Inspectnet web service for your inspection requests. Failure to return this completed form will cause your permit to be permanently voided from our system.
