Dear Eddie;

Enclosed herein are four (4) copies of the Triad Air Quality Conformity Determination for the Triad Metropolitan Planning Organizations, and NCDOT.

Updates within the report and associated file folders since the release to the public that began November 2008 include the following:

- Incorporate text modification to conformity report.
- Incorporate FHWA comments into report and applicable appendices.
- Incorporate EPA comments into report and applicable appendices.
- Incorporate NC DAQ comments into report and applicable appendices.

As you are aware, both the Burlington-Graham and High Point MPO's will convene later this month. Both MPO lead planning points of contact have been requested to fax you their signed resolution once adopted by their respective MPO TAC's.

If you require any further documentation, or have any questions regarding the enclosed material please contact me at your convenience either by telephone at 336/662-0002, or by electronic mail at scott@partnc.org.

Sincerely,
