

Volume I
Table of Content

Chapter 1. Introduction, Goals and Objectives, Vision Statement	3
1.1 Introduction	3
1.2 Goals and Objectives	4
1.3 Benefits of Walkable Communities	8
Chapter 2. Background Information	10
2.1 History of Sidewalks	10
2.2 Location and Demographics	11
2.3 Injury Analysis	12
Chapter 3. Existing Plans, Programs, and Policies	15
3.1 MPO Planning Documents	15
3.2 Adopted Sidewalk Plans and Policies	23
Chapter 4. Engineering: Facilities Data	29
4.1 System Overview	29
Chapter 5. Engineering: Pedestrian Facilities Plan	35
5.1 Where do people walk?	35
5.2 Opportunities	36
5.3 Connectivity	36
5.4 Methods for Developing Facilities	37
5.5 Corridor Identification	38
5.6 Ranking Criteria	40
Chapter 6. Engineering: Standards and Guidelines	42
6.1 On-Road Pedestrian Facilities Design Guidelines	42
6.2 Signals	43
6.2 Crosswalks	44
6.3 Mid-Block Crossings	45
6.4 Special Features	46
Chapter 7. Education, Encouragement and Enforcement	54
7.1 Education	54

7.2 Encouragement 55

7.3 Enforcement 57

Chapter 8. Safe Routes to School 59

 8.1 Activities for Schools 61

 8.2 North Carolina School Crossing Guard Training Program 63

Chapter 9. Pedestrian Facilities Funding Sources for the MPO 65

 9.1 Federal Funding 65

 9.2 State Funding 66

 9.3 Local Funding 70

Chapter 10. Implementation 73

 10.1 Building Support for Walking 73

 10.2 Program and Policy Implementation 76

 10.3 Tracking Progress 77

GLOSSARY 79

Appendix A Comments from WSDOT Survey 84

Appendix B Proposed Sidewalk Locations 89

Appendix C Sidewalk Ranking Criteria 96
