### Game Notes

**Inclement Weather phone number is 734-1220.** Decisions regarding weather will be made after 3 p.m. on game day.

Concerns about the league call Dick Butler at 734-1212.

Each team will play three games in the forty-five minute time slot. When teams are not playing, they are asked to help keep score and call lines for the other teams. On the last night of play the teams listed first need to have some players stay to call lines and keep score for the teams playing late. The teams playing late need to have some players come early to help call lines and keep score for the early games.
