Pursuant to N.C.G.S. 143-131, sealed bid proposals endorsed “Water Main Hydraulic Tie (Stratford, Lockwood, Somerset) – IF19222” will be received by City/County Purchasing, in Room 16 of City Hall Building, 101 N. Main Street, Winston-Salem, NC until 2:00 PM, April 15, 2019, at which time all bids will be publicly opened and read aloud. The City reserves the right to waive any informalities in the bidding and to reject any or all proposals.

Bidders are hereby notified that they must be properly licensed as required by Chapter 87 of the North Carolina General Statutes.

The bid package may be obtained, as well as instructions for submitting bids, by contacting Darren Redfield at darrenmr@cityofws.org (preferred), 336-747-6936, or in person at City/County Purchasing, City Hall Room 324, 101 North Main Street, Winston-Salem, NC 27101 during normal business hours. Electronic bidding documents are available on or after March 20, 2019, by request.

For technical questions regarding this project, please submit questions in writing to Todd Lewis at toddl@cityofws.org. The End of Question Period is 12:00 PM, April 9, 2019.

Scope summary: This contract will involve installation of 8” & 12” water mains at Stratford Road/Lockwood Drive & Somerset Drive/Brookridge Drive. These new mains will provide hydraulic ties within our water distribution system and boost pressures within the neighborhoods located between Stratford Road and Jonestown Road and help ensure adequate pressures can be provided for fire protection.

**PRE-BID NOTICE**

A pre-bid conference will be held at 10:00 AM, April 2, 2019, in Room 16, City Hall Building, 101 N. Main Street, Winston-Salem, NC 27101. The purpose of this conference is to summarize the scope of work involved and to explain the City’s Minority and Woman Owned Business Enterprise (M/WBE) program and goals as applicable to this project. Engineer and MWBE staff will be present to answer questions.

A sign-in sheet will serve as the attendance record. Prime bidders and subcontractors are encouraged to attend to learn about the project scope and the required outreach efforts to HUB-certified M/WBE subcontractors.
