SUBJECT: New Vendor Listing

Contractors/Suppliers,

The City of Winston-Salem has created a new Vendor Listing which will become effective Monday October 1, 2018. This action will require your firm to re-register all company information.

Please visit the City of Winston-Salem website at <https://vendorlisting.cityofws.org> to register your most current company/contact information with the City of Winston-Salem. This will ensure that accurate information regarding goods and/or services provided by your firm is available to City staff for use in compiling listings of available contractors and suppliers for various City and County projects.

Your firm must re-register on the new Vendor Listing by January 1, 2019 in order to be listed as a vendor for the City of Winston-Salem. All vendor data within the current vendor database will become inactive on February 1, 2019.
