

WINSTON-SALEM DOWNTOWN STREET STUDY

OPEN HOUSE

WHEN

Thursday, February 26, 2015, 5:00pm to 7:00pm

WHERE

Old Salem Visitor Center, Gray Auditorium
900 Old Salem Road, Winston-Salem, NC 27101

WHAT

Please join us for an Open House to learn about the
Winston-Salem Downtown Street Study

As a part of the reconstruction of Business I-40, the City of Winston-Salem has commissioned this study to:

1. Prepare a comprehensive transportation analysis to fully assess the effects of the planned two-way conversion of Liberty/Main and First/Second.
2. Determine any improvements needed as a result of the two-way conversion. Additionally, provide recommendations for improvements consistent with the Joint Chamber of Commerce/Downtown Winston-Salem Partnership Business 40 Task Force recommendations for parking, pedestrians, bicycles, business access, traffic calming, and directional signage.
3. Prepare cost estimates and conceptual drawings to aid the City's decision making process for implementation.

**YOUR INPUT AND FEEDBACK IS NEEDED AS THIS STUDY
TAKES SHAPE. THERE WILL BE NO FORMAL PRESENTATION,
SO PLEASE DROP IN AT ANY TIME.**
