**III. Discussion of programs for 2023**

**A. Preservation Month Activities**

**1. Former Commissioner Survey**

Ms. Bratland reported that the past Commissioner Member survey was created. Postcards and emails will be sent to all past Commission Members by the end of April.

**B. Historic Preservation Month Activities - May**

**1. Trivia Night**

Ms. McCullough reported that she attended a trivia night at Joymongers and described the set-up and process. Ms. Kromm reported that she would confirm with Joymongers the use of the video screens and host availability. The Committee determined at least five, but preferable eight, volunteers would be needed for the event. A call for volunteers will be made at the May 3, 2023 Commission meeting. Ms. Kromm will finalize the prizes and get the sponsors names to Staff to be added to the event flyer, so it can be distributed. Staff agreed to prepare the sign-in sheets, scoring sheets, script for the host, and a PowerPoint with the questions and visuals if the screens can be utilized.

**2. Press Release for the 75<sup>th</sup> year celebration**

Ms. Bratland reported that she has requested a press release on the 75<sup>th</sup> year celebration from the City's Marketing Department and is awaiting a response.

**3. Social media ideas**

The Committee requested that both the trivia night and 75<sup>th</sup> year celebration be promoted on the City and possibly the County social media accounts. Staff will confirm with the City and County marketing departments about the process to be included on each.

**C. 75<sup>th</sup> Commission Celebration**

Ms. Shill announced she will be leaving the Commission and Committee and will not be able to continue planning a walking tour for October. The Committee decided to not pursue that event and put more energy into the November 18, 2023 anniversary celebration. Ms. McCullough reported that the Board of Elders of Home Moravian Church approved the request to use the sanctuary and fellowship hall for the program. She will discuss the use of the square with Salem Congregation facilities manager. The Committee discussed the potential list of people for the program and decided to let Staff determine four to five people to invite to share their memories of being on the Commission or working with the Commission. Ms. Bratland had to attend another meeting, so discussion of the State Marker was tabled until the next meeting.

**IV. Adjournment**

Ms. Shill adjourned the meeting at 5:00pm.

**Next Meeting: May 15, 2023**
