UNION STATION
REQUEST FOR PROPOSALS FOR THE LEASE OF SPACE IN THE HISTORIC UNION STATION FOR THE OPERATION OF A FULL-SERVICE RESTAURANT

PROVIDED BY THE CITY OF WINSTON-SALEM REAL ESTATE OFFICE P.O. BOX 2511 WINSTON-SALEM, NC 27102 NOVEMBER 13, 2020
INTRODUCTION
The City of Winston-Salem is interested in receiving proposals for the lease of space in the historic Union Station for operation of a full service restaurant.

HISTORY
Union Station was constructed in 1926 to serve passengers of the Southern, Norfolk and Western and Winston-Salem Southbound Railroads. At its peak in 1947, 18 daily trains traveled in and out of the Winston-Salem Station, bringing more than 500 passengers per day to and from Greensboro, North Wilkesboro, Charlotte, Asheville, Roanoke, Lexington, High Point and Albemarle.

The station featured large waiting rooms, checked baggage service, a restaurant, restrooms and a travelers’ aid shop with newspapers, cigars and other items. Initially, all three floors of the 36,000 square foot structure were used for passenger and freight services. Passenger waiting areas and a concourse to the track level comprised the main upper level. Southern Railway Company offices occupied the middle level, while baggage rooms and offices for the Southeastern and American Railway Express Companies occupied the lowest level.

During the 1950s and 1960s, train ridership steadily declined and the station finally closed in 1967. It was purchased and operated as a garage for 35 years until the City of Winston-Salem’s acquisition was completed in 2010.

RENOVATION
Including acquisition, the City of Winston-Salem spent over $18 million on the redevelopment of Union Station to bring it back to its historically accurate appearance. The City’s Transportation Department is located on the first (lower) level, the second (middle) level is leased to Winston-Salem State University, and the third (upper) level maintains its waiting room/meeting space and suites for the location of a full-service restaurant.

LOCATION
Union Station is located at 300 Martin Luther King, Jr. Drive. It is conveniently located in the downtown business district near Salem Parkway, Piedmont Triad Research Park, Salem College and Academy, Winston-Salem State University, and Old Salem.

DESCRIPTION OF RENTAL SPACE
The restaurant space is located on the third, or upper street level floor, with good access to Martin Luther King, Jr. Drive. Two, and potentially three, suites are available for restaurant lease. Suites 210 and 218 contain 3,795 square feet and an additional 804 square feet could be available in Suite 205.
MINIMUM CONDITIONS AND REQUIREMENTS
FOR SUBMISSION OF LEASE PROPOSALS

The City Council of the City of Winston-Salem has approved a list of minimum conditions and requirements for the lease of the restaurant space in Union Station. The minimum conditions and requirements are as follows:

MINIMUM CONDITIONS AND REQUIREMENTS FOR LEASE OF RESTAURANT SPACE IN UNION STATION

1. Upon execution of a lease, the Tenant will place in escrow with the Landlord (City) a security deposit or letter of credit in the amount of $5,000.

2. The Tenant must demonstrate a minimum of 5 years’ experience in the restaurant business.

3. The Tenant must operate a full-service restaurant serving breakfast, lunch, and dinner.

4. The Tenant must carry liability insurance in the amount required by the City and provide evidence of that insurance on an annual basis.

5. The City will provide $283,450 towards installation of exhaust fan system and grease trap; installation of equipment and drops for electrical, plumbing, and gas; design and engineering costs; basic restaurant equipment. Costs beyond these are the responsibility of the Tenant. These Tenant costs may include fixtures, furniture, additional equipment (as needed), smallwares, china, glassware, silverware, etc.

6. All utilities will be paid by the Tenant.

7. The City will require a minimum commitment to an initial five-year lease with options for up to two additional five-year terms.

8. The City will require a minimum lease commitment to Suites 210 and 218, containing approximately 3,795 sq. ft. The Union News Suite H208 is not included in the restaurant lease. If Suite 205 were included in the lease, it would add an additional 804 sq. ft.

9. The City will require a lease rate of $9/sq. ft. in years 1 and 2, $10/sq. ft. in year 3, $11/sq. ft. in year 4, $12/sq. ft. in year 5, with annual increases of 5% thereafter during the first and second five-year options, if exercised. This graduated lease structure recognizes the fact that a restaurant will likely undergo an initial start-up period prior to optimum productivity.
LEASE AND RENT COMMENCEMENT
It is anticipated the City Council of the City of Winston-Salem will select a tenant and will authorize a lease to be signed in the first quarter of 2021 with rent commencement and restaurant opening to occur by the third quarter of 2021.

UPFIT APPROVAL
The historic Union Station is listed on the National Register of Historic Places and is a Winston-Salem Forsyth County Local Historical Landmark. As such, all tenant upfit must be approved by the Forsyth County Historic Resources Commission (HRC).

SIGNAGE AND PRICING
Landlord will provide signage with visibility from the intersection at the northeast corner of the property. Signage is subject to Certificate of Appropriateness and approval by the HRC. Landlord will provide parking for restaurant customers in the upper parking lot.

PAYMENT OF REAL ESTATE COMMISSION
The City of Winston-Salem will pay a licensed real estate broker representing a prospective Lessee a commission of three percent of the lease payment for years 1-5 upon submission, acceptance, and signing of a lease.

PERSONAL GUARANTY
The Lessee(s), as individual(s), shall personally guarantee the amounts due under the lease for the term in a form that is acceptable to the Lessor.
