I hereby claim an exemption under G.S. 87-43.1(5a) and I understand that I am being issued a permit to wire my own structure under the following conditions:

1. I own the structure and I am going to occupy it myself, it will not be rented or used by others. I understand I am required to occupy this structure for 12 months after the work is complete.
2. I understand this permit is for me to do the work myself. I understand that it is a violation of state law for another person to do the work either for free or pay.
3. I understand the principles of electrical wiring, I have had experience wiring and I am qualified to do a safe job in accordance with the Electrical Code.
4. I understand the electrical inspector will not design or lay out the job for me.
5. I further understand that if the job is turned down two (2) times as not meeting the Electrical Code, I will be required to obtain the services of a licensed electrical contractor. Further, I understand that I will be charged extra trip charges for any extra trips that are required. An extra trip is defined as a trip in excess of the normal number of trips to inspect a job plus one to inspect corrections.
