## INSTALLATION BY PROPERTY OWNER (PLUMBING) AFFIDAVIT

I hereby claim an exemption under G.S. 87-21(c) and I further understand that I am being issued a permit to install Plumbing in my own structure under the following conditions.

1. I own the structure and I am going to occupy it myself, it will not be rented or used by others. I understand I am required to occupy this structure for 12 months after the work is complete.
2. I understand this permit is only for me to do the work myself. I understand that it is a violation of state law for another person to do the work either for free or pay.
3. I understand the principles of plumbing, I have had experience wiring and I am qualified to do a safe job in accordance with the Plumbing Code.
4. I understand the plumbing inspector will not design or lay out the job for me.
5. I further understand that if the job is turned down two (2) times as not meeting the Plumbing Code or if it is determined that the work has been or is being done by another individual, the permit will be placed on stopwork status and a licensed contractor will be required to permit and complete the job.
6. Further, I understand that I will be charged extra trip charges for any extra trips that are required. An extra trip is defined as a trip in excess of the normal number of trips to inspect a job plus one to inspect corrections.
