Introduction

A City’s strategic plan is its guiding document in establishing community priorities based on the vision, mission, and values set forward by the Mayor and City Council.

Our Vision

The City’s vision is to be a municipal government deserving of public confidence that provides excellent and innovative services, and is an active and cooperative partner in creating a vital community.

Our Mission

The City of Winston-Salem provides quality, affordable services that ensure the health, safety, and well-being of citizens, while collaborating throughout the community to ensure its economic, social, and environmental vitality.

From this mission statement, the Mayor and City Council have identified six strategic focus areas to help guide the work of City government:

- Economic Vitality and Diversity
- Safe and Secure Community
- Livable Neighborhoods
- Healthy Environment
- Quality Transportation
- Service Excellence

Our Values

The City has set forward eight core values that are the underpinning of an organization committed to providing high-quality services in a culture of customer service excellence:

- Openness
- Integrity
- Equity
- Accountability
- Teamwork
- Respect for all citizens
- Fiscal soundness
- Continuous learning and improvement

Strategic Planning Process

The City contracted with a consulting firm, FountainWorks, to facilitate a strategic planning process. The process began with senior level staff identifying current issues, trends, and factors that have an impact on Winston-Salem’s current state. Senior level staff reviewed economic, demographic, technological, and other changes that affect the landscape and environment of the City and the way the City provides services to residents. Staff compiled potential priority items to address perceived short and mid-term needs for the City.
The Mayor and City Council engaged in a two-day workshop in January 2017 to create a strategic framework to help guide the City’s actions over the next four years. At this workshop, the Mayor and City Council affirmed the six strategic focus areas previously identified and also re-affirmed the objectives under each focus area. They reviewed comments made by senior staff and undertook a context mapping exercise to define trends and challenges in providing City services. The Mayor and City Council were then asked to brainstorm potential top priorities for each of the strategic focus areas. Staff had previously identified potential priorities as a starting point for the discussion. Through a voting procedure, potential priorities were identified and ranked as short term (2017-2018) and mid-term (2019-2021) strategies within each focus area. Following the workshop, staff created individual action items to help accomplish each of the strategies.

Strategic Planning Document Format

The following pages include the strategies and associated action items identified by the Mayor and City Council. Each of the six strategic focus areas includes a list of the objectives. Objectives are broad categories under which individual strategies fall. Strategies are individual priorities, identified and ranked by the Mayor and City Council within each focus area, that are intended to produce outcomes that reinforce the stated objectives. A table displaying the ranking of each strategy within a focus area is included under the objectives for that focus area.

Beneath the strategy ranking table in each focus area is the alignment of objectives, strategies, and action items. Action items are individual tasks within a strategy that the City will accomplish. The hierarchy is as follows:

Strategic Focus Area
   → Objective
      → Strategy
         → Action Item
Economic vitality and diversity requires a healthy local economy that serves all segments of the population and provides the monetary resources necessary to support the community. This includes sustaining a tax base sufficient to fund community services, providing members of the community with sufficient wages, and providing capital for community development.

  • Action Item 4.1.1: Evaluate the creation of a Community Education Team to provide additional resources for community education programming.
  • Action Item 4.1.2: Increase signage at City fire stations to enhance community presence.
  • Action Item 4.1.3: Work with community partners to create a plan to provide targeted fire and emergency medical services risk reduction programs to schools, universities, laboratory facilities, and senior populations.
Livable neighborhoods are the basic building blocks for our City’s quality of life. They create an environment where people feel welcome, want to spend time, and want to interact. Livable neighborhoods provide access to adequate transportation, shopping and recreation options, encourage residents to maintain their homes, and celebrate our values, history, and culture. Livable Neighborhoods also includes facilities and activities that foster good physical health.

**Objectives**
- Improve Character and Condition of Neighborhoods
- Expand Housing Assistance Programs
- Support Public Art/Community Appearance
- Preserve Historic Resources
- Support Inclusion of Community Populations
- Expand Open Space and Recreational Facilities
- Expand Access to Healthy Food Options

• Action Item 4.1.2: Develop performance management continuous improvement model and open data reporting strategies.
**Next Steps**

The action items detailed in this strategic plan should advance the objectives put forward by the Mayor and City Council. City staff will oversee these action items and will create processes to measure and report on the City’s progress. The City will identify and publish key performance metrics as indicators of progress in accomplishing the objectives set forward in this plan. In addition to key performance metrics, the City will be engaging residents on an ongoing basis to evaluate how they feel about key aspects of City services and customer service.

The City will affirm a commitment to public performance reporting and focus efforts on performance management strategies and accountability. The City will use data to inform decision-making processes and report on what is working well and where opportunities for improvement exist.

In the coming years, the Mayor and City Council will review mid-term priorities identified in the 2017 process and set new goals for the City. As the City continues to grow and meet the evolving needs of its residents, the strategic plan will point the way toward maintaining and improving the qualities that make Winston-Salem a great place to live, work, and play.
Appendix 1 – Poverty Thought Force Alignment to Strategic Plan

The Winston-Salem Poverty Thought Force (PTF) is a community-wide collaboration to identify steps to reduce the number of residents living in poverty. In February 2017, the Mayor and City Council accepted the final report from the PTF. That report included 56 policy recommendations in five focus areas. The PTF report included the following focus areas:

- Health and Wellness
- Housing and Homelessness
- Jobs and Workforce Development
- Education and Life Skills
- Hunger and Food Insecurity

Many of the recommendations provided by the PTF align with strategies identified by the Mayor and City Council in the City’s strategic plan. Below is a reconciliation of where strategies from both documents have potential alignment. The following is intended to be illustrative only of the potential for alignment between strategies as actual policies and tasks could vary and/or overlap between multiple strategies.

**Economic Vitality and Diversity**

City Strategy 1.4: Engage Forsyth County Commissioners and Winston-Salem/Forsyth County School Board in policy discussions regarding economic vitality.

- The PTF recommendations encompass programs provided by multiple jurisdictions and community partners. Policy discussion regarding economic vitality could potentially align with recommendations in multiple PTF focus areas regarding jobs, training, education, health, and housing.

Strategy 3.1: Evaluate the use of land banking for commercial development.

- PTF Hunger and Food Insecurity Recommendation #3: Serve food insecure areas.
- PTF Hunger and Food Insecurity Recommendation #10: Attract grocery stores to underserved neighborhoods.

Strategy 4.1: Partner with workforce development initiatives.

- PTF Jobs and Workforce Development Recommendation #1: On-the-job training for high students.
- PTF Jobs and Workforce Development Recommendation #7: Enable more students to pursue skilled/trade jobs.
- PTF Jobs and Workforce Development Recommendation #10: Match training/skills with local jobs.

Strategy 4.2: Promote internship opportunities.

- PTF Jobs and Workforce Development Recommendation #1: On-the-job training for high students.
• PTF Jobs and Workforce Development Recommendation #4: connecting local organizations to high schools/technical schools.

Safe and Secure Community

Strategy 2.1: Strengthen re-entry and diversion initiatives.
  • PTF Jobs and Workforce Development Recommendation #5: Publicize/incentivize second-chance employment “Banning the Box.”
  • PTF Jobs and Workforce Development Recommendation #10: Match job training/skills programs with local jobs.

Strategy 3.3: Evaluate infrastructure needs related to public safety.
  • PTF Housing and Homelessness Recommendation #9: Revitalizing unused and abandoned homes.

Livable Neighborhoods

Strategy 1.1: Concentrate efforts in reducing blight in targeted areas.
  • PTF Housing and Homelessness Recommendation #9: Revitalizing unused and abandoned homes.

Strategy 1.3: Create guidelines and incentives for disposition of vacant lots.
  • PTF Hunger and Food Insecurity Recommendation #3: Serve food-insecure areas.
  • PTF Hunger and Food Insecurity Recommendation #9: Community gardens.

Strategy 2.1: Evaluate implementation of affordable housing study recommendations.
  • PTF Housing and Homelessness Recommendations: Depending on the recommendations in the affordable housing study, this strategy could align with many or all of the PTF Housing and Homelessness recommendations.

Strategy 7.1: Develop strategies to expand access to the Fairgrounds Farmers Market.
  • PTF Hunger and Food Insecurity Recommendation #3: Serve food-insecure areas.
  • PTF Hunger and Food Insecurity Recommendation #5: Social media advocacy for fighting hunger.

Strategy 7.2: Increase public education and marketing of healthy food options.
  • PTF Hunger and Food Insecurity Recommendation #3: Serve food-insecure areas.
  • PTF Hunger and Food Insecurity Recommendation #5: Social media advocacy for fighting hunger.
  • PTF Hunger and Food Insecurity Recommendation #6: Public/private food access partnerships.
  • PTF Hunger and Food Insecurity Recommendation #8: Targeted nutrition education programs.
  • PTF Hunger and Food Insecurity Recommendation #9: Community gardens.
Healthy Environment

Strategy 3.1 Evaluate sustainability needs based on STAR Community rating.

- The STAR Community rating framework encompasses 49 subject areas of local sustainability including Housing Affordability, Quality Jobs and Living Wages, Workforce Readiness, Poverty Prevention and Alleviation, Community Health, and Food Access and Nutrition. Potential community needs, based on the STAR report, could include alignment with recommendations in the all five areas of the PTF report.

Strategy 3.2: Create developer incentives for green and transit-oriented development.

- PTF Housing and Homelessness Recommendation #1: Improve public transportation, expand housing options.
- PTF Jobs and Workforce Recommendation #9: Link affordable housing to public transportation.

Quality Transportation

Strategy 3.1: Review Winston-Salem Transit Authority route frequency and funding.

- PTF Jobs and Workforce Development Recommendation #2: Align public transportation with irregular work schedules.
- PTF Jobs and Workforce Recommendation #9: Link affordable housing to public transportation.
- PTF Education and Life Skills Recommendation #4: Improve transit for education.
- PTF Housing and Homelessness Recommendation #1: Improve public transportation with respect to housing options.
- PTF Health and Wellness Recommendation #3: Improve bus affordability, access, and frequency.

Strategy 3.3: Review bus shelter placement and overall transit structure.

- PTF Jobs and Workforce Development Recommendation #9: Link affordable housing to public transportation.
- PTF Education and Life Skills Recommendation #4: Improve transit for education.
- PTF Housing and Homelessness Recommendation #1: Improve public transportation, expand housing options.

Service Excellence

Strategy 3.1: Review feasibility of general obligation bond issuance for capital projects.

- Revenue from general obligation bonds could be used for housing, transportation, and facility needs that potentially align with multiple recommendations in the PTF Housing and Homelessness and Hunger, Health and Wellness, and Food Insecurity focus areas.
