

New M/WBE Vendors

July 2021

The *local* Minority/Women-Owned Business Enterprise (M/WBE) vendors listed below are newly registered with the city. Please consider them when making your purchasing decisions.

Please consult the Vendor Listing for a full list of registered M/WBE firms which can be at: <https://vendorlisting.cityofws.org/Account/CommodityVendorList.aspx>

If your department is about to purchase a service or product that is estimated to cost less than the \$20,000 threshold for obtaining bids, please notify the Office of Business Inclusion and Advancement M/WBE Division by completing the Upcoming Business Opportunity form on the Form Center page of the Employee Center. This will allow the M/WBE Program to notify local M/WBE firms about the upcoming business opportunities.

Please contact M/WBE staff with any questions.
