Coming soon, you will also be able to reserve and pay for facility reservations, camps, programs, and more. Stay tuned for additional updates!

**Teens in Action Camp**

Teens in Action is an 8-week program with the Winston-Salem Recreation & Parks Department that will provide rising 6th – 9th graders the opportunity to volunteer with multiple organizations in Winston-Salem as well as the Summer Day Camp program. Participants will travel to various locations, work as a team to create activities for summer youth, take part in personal development, and provide “hands-on” service to the community!
