GENERAL INFORMATION
Wes Kimbrell with City of Winston requested Terracon be on site perform coring of pre-determined locations on Cloverdale Avenue.

OBSERVED LOCATION(S)
Please see attached for core locations.

OBSERVATIONS
Based on our observations the pavement section varies between each observed location. Core # 6 was the only location that concrete was observed. Core locations #4, #5 and #7 had a later of severely deteriorated asphalt that crumbled and could not be extracted intact. Please see below for measured thickness of each location and the attached pictures. Measured thickness is of material that was removed intact.

1. 5”
2. 6”
3. 11 3/4”
4. 8 5/8
5. 8 5/8”
6. 11”, 1 1/4” of asphalt, 9 3/4” concrete
7. 8”
8. 2 1/8”
