May’s trivia question: What annual events return in June?

Summer of Fun
Summer is almost here and with the return of summer means that lots of fun events are coming up! Read on to find out about some of these fun events.

Cool Off In Our Parks
The return of splash pad season is here! Splash pad season begins on May 1 and they will remain open through September 30. Splash pads will be open daily from 10 am to 9 pm. Please note that once Polo Park and Mineral Springs pools open on June 10, the splashpads at those locations will follow pool operation hours.

During Memorial Day weekend, Bolton Pool and Winston Waterworks will open! Bolton Pool will open daily after that weekend, but Winston Waterworks will only open on weekends until June 10. Starting on June 10, all pools (including Long Creek Pool!) will open for the season.

For more information on pools and splash pads, please visit our website, WePLAY.ws, and check out the “Pools & Aquatics” section under Facilities.

Movies in the Park
Our free, summer-time WePLAY Movies in the Park and Movies in the Pool series returns in June! Pre-movie activities start at 7 pm and the movie will begin at dusk.

Here's our schedule for this year's movies:
- June 17: Soul at Jamison Park
- July 15: Minions: The Rise of Gru at Old Town Park
- August 9: Lilo and Stich at Old Town Park
- August 19: Shrek at Miller Park

For more information about Movies in the Park, email WePLAYevents@cityofws.org.

Mark Your Calendars
The annual Soaring on the Winds of Change Flight Festival will return to Winston Lake Park at the Ray Agnew, Jr. Football Field on Saturday, June 3 at 11 am to 1 pm. Come on out for kites, exhibitors, food trucks, drones and more!

Join us on Saturday, July 1 as we kick off National Parks and Recreation month with the return of Rock Out the Quarry! Come see the newly renovated The Quarry at Grant Park on Saturday, July 1 from 7 pm to 10 pm. There will be live music, food trucks, fireworks, and all kinds of new additions to the park to check out. Check back in next month's newsletter for more information.
