

ADVERTISEMENT FOR BIDS

Pursuant to N.C.G.S. 143-128 and 129, sealed bids endorsed “**Fire Hydrant Replacements Contract, FB23268**” will be received by City/County Purchasing, City Hall Building, 101 N. Main Street, Winston-Salem, NC until **2:00 PM, May 31, 2023**, at which time all bids will be publicly opened and read aloud on the front steps of City Hall. The City reserves the right to waive any informalities in the bidding and to reject any or all proposals. Bidders are hereby notified that they must be properly licensed as required by Chapter 87 of the North Carolina General Statutes.

The bid package may be obtained, as well as instructions for submitting bids, by contacting Darren Redfield at darrenmr@cityofws.org (preferred) or 336-747-6936 during normal business hours. Electronic bidding documents are available by request on or after May 12, 2023.

For technical questions regarding this project, please submit questions **in writing** to Derek Stroud at dereks@cityofws.org. The End of Question Period is 2:00 PM, May 24, 2023.

Scope of this contract will involve: remove fire hydrants and valves at various locations throughout the water distribution system which have become inoperable, non-existent or have been identified as being in need of replacement, and install new fire hydrants and associated items as indicated in the following itemized bid chart with estimated quantities. Work will be throughout Forsyth County.

This is a formal construction/repair contract with M/WBE subcontracting goals of 1%M, 1%W, which must be met separately, or the bidder can commit to self-perform all the work required. This is a 3-year renewable term contract.

A pre-bid conference will be held at **11:00 AM, May 18, 2023**, on Microsoft teams. Contact darrenmr@cityofws.org for the link. The purpose of this conference is to explain the M/WBE goals and program, to summarize the scope of work involved, and to answer bidder questions. The Project Coordinator and staff will be present to answer questions.
