Answer to May’s trivia question: Movies in the Park!

June’s trivia question: What annual event returns in July?

Long Creek Park Opening

At long last, the time has finally arrived for Long Creek Park to reopen! Construction began on the park in 2019 and the project consisted of renovations to the swimming pool and bath house, parking improvements, clubhouse demolition, new and improved walking paths, and a new picnic shelter.

There will be two events to celebrate the park reopening. There will be a Community Day event on Saturday, June 10 from 12 pm to 2 pm to celebrate the pool opening. There will be food trucks and giveaways. A ribbon cutting ceremony for Long Creek Park is scheduled for Saturday, June 24 at 1 pm. The ceremony will officially reopen the park to the public.
