

RE-ADVERTISEMENT FOR BIDS

Peters Creek Outfall Replacement – Phase 2

North Carolina General Statute (N.C.G.S.) 143-132(a) requires a minimum of three competitive bids be received for formal construction and repair contracts. Three bids were not received on June 22, 2023. Should fewer than the required three bids be offered for formal projects advertised as N.C.G.S. 143-129 requires, the project may be re-advertised.

Therefore, pursuant to N.C.G.S. formal bidding laws, sealed bid proposals endorsed “**Peters Creek Outfall Replacement - Phase 2, FB23283**” will be received by City/County Purchasing, City Hall Room 324, 101 N. Main Street, Winston-Salem, NC until **2:00 PM, June 30, 2023**, at which time all bids will be publicly opened and read aloud on the front steps of City Hall. Three bids are not required at this second offering; as few as one valid bid may be opened and considered for award per NCGS 143-132.

The City reserves the right to waive any informalities in the bidding and to reject any or all proposals. Bidders are hereby notified that they must be properly licensed as required by Chapter 87 of the North Carolina General Statutes. Compliance with the City/County Utility Commission's Minority and Women Business Enterprise program is required on this project. Please refer to the Special Instructions to Bidders contained in the Bidding Documents. The subcontracting goals are: 5% MBE, 5% WBE and must be met separately.

Electronic bidding documents, Addenda, and current Plan Holders List may be obtained from Lawonza Ramsey (lramsey@hiepc.com) or Terri Smith (tsmith@hiepc.com) at Highfill Engineering during normal business hours.

Neither Owner nor Engineer has any responsibility for the accuracy, completeness, or sufficiency of any Bidding Documents obtained from any source other than the City of Winston-Salem. Obtaining these documents from any source may result in obtaining incomplete and inaccurate information, and may also result in failure to receive any addenda, corrections, or other revisions to the Bidding Documents that may be issued.
