REQUEST

Text amendment proposed by the City-County Planning Board to allow the uses "Combined Use", "Habilitation Facility A, B, and C", and "Limited Campus Uses" in the MU-S zoning district as uses by right.

BACKGROUND

The proposed text amendment was submitted by the City-County Planning Board to allow the uses "Combined Use", "Habilitation Facility A, B, and C", and "Limited Campus Uses" in the MU-S zoning district as uses by right. Recently this district was amended to alter the required setbacks, minimum site size, and permitted uses in order to make the district more usable.

ANALYSIS

MU-S was recently amended to make it a more usable district. Several uses were added to the list of permitted uses in the district. However, it was recently discovered that a key mixed-use district use was left out. The use "Combined Use" is inherent to the concept of a mixed-use district. It allows for the traditional mixture of a retail use on one level and a residential use on another level of a building. While reviewing the addition of "Combined Use" to the district staff reviewed other uses to determine whether others should also be added at this time. "Habilitation Facility A, B, and C", and "Limited Campus Uses" were also deemed to be appropriate for the MU-S district.

RECOMMENDATION

Staff recommends APPROVAL.

Suzy Gallaway presented the staff report.
