<td>Analysis</td>
<td>The review for this case focuses on the zoning conversion from County zoning jurisdiction to Winston-Salem zoning jurisdiction triggered by the recent annexation of the subject property. The Planning Board’s role in reviewing this petition pertains only to the zoning jurisdiction. The decision to annex the property was made by the Winston-Salem City Council with agreement by the property owners. This proposal will not change the permitted uses of the subject property, but will reclassify the newly incorporated property from its Forsyth County zoning classification to the equivalent City of Winston-Salem zoning classification. The two zoning classifications are equivalent and there are no changes in development rights or constraints.</td>
