| Relevant Legacy Recommendations | Encourage redevelopment and reuse of existing sites and buildings which are visually compatible with the surrounding area.

The subject property is not located within the boundaries of an area plan or development guide.

**Applicable Rezoning Consideration from Chapter B, Article VI, Section 6-2.1(S):**  

(S)(3) - Have changing conditions substantially affected the area in the petition?

No

(S)(4) - Is the requested action in conformance with Legacy?

Yes

**Analysis of Conformity to Plans and Planning Issues:**  
The subject property is located outside the commercial corridor of Peters Creek Parkway. However, the site is impacted by the surrounding commercial zoning to the west and south. Given the existing zoning, staff feels that commercial zoning at this location is appropriate. Staff does not support extending commercial zoning further north along Old Salisbury Road or along the north side of Friedberg Church Road.
