Riccio, RLS, dated: June 11, 1997. Also being Tax Lot 96B, Block 3905.

Section 2. This Ordinance is adopted after approval of the site plan entitled Cambridge Park Campus Office Building and identified as Attachment "A" of the Special Use District Permit issued by the Board of Aldermen the _______ day of __________________, to Southern Community Bank and Trust.

Section 3. The Board of Aldermen hereby directs the issuance of a Special Use District
Permit pursuant to the Zoning Ordinance of the *Unified Development Ordinances* for a
development to be known as *Cambridge Park Campus Office Building*. Said Special Use
District Permit and site plan with associated documents are attached hereto and incorporated
herein.

Section 4. This Ordinance shall be effective from and after its adoption.
CITY - SPECIAL USE DISTRICT PERMIT

SPECIAL USE DISTRICT PERMIT

Issued by the Board of Aldermen of the City of Winston-Salem

The Board of Aldermen of the City of Winston-Salem issues a Special Use District Permit for the site shown on the site plan map included in this zoning petition of Southern Community Bank and Trust, (Zoning Docket W-2415). The site shall be developed in accordance with the plan approved by the Board and bearing the inscription: "Attachment A, Special Use District Permit for LO-S (Professional Office; Offices, Miscellaneous; Banking and Financial Services; Medical and Surgical Offices - Site Plan Amendment), approved by the Winston-Salem Board of Aldermen the _____ day of _____________________, 20____” and signed, provided the property is developed in accordance with requirements of the LO-S zoning district of the Zoning Ordinance of the Unified Development Ordinances, the Erosion Control Ordinance, and other applicable laws, and the following additional conditions be met:

- **PRIOR TO THE ISSUANCE OF GRADING PERMITS**
  a. Developer shall have a stormwater management study submitted for review by the Public Works Department of the City of Winston-Salem. If required, developer shall provide on-site stormwater improvements on this property or the developer may be able to improve other existing stormwater management devices in this drainage area without having to make those improvements on this property.

- **PRIOR TO THE ISSUANCE OF BUILDING PERMITS**
  a. A private street sign shall be installed at the intersection of Cambridge Park Drive and Country Club Road. Developer may request this sign and pay the fees to make the sign through the Planning staff.
  b. On-site fire hydrant locations shall be approved by the City Fire Department in writing to the Inspections Division.
  c. Loading and unloading spaces shall meet the requirements of UDO Section 3-3.6 or a reduction in size of these spaces must be approved by the Zoning Officer in accordance with subsection (C)(2) of the UDO.
  d. Easement for private drive on west side of building (Cambridge Park Drive) must
be moved farther west from existing location to accommodate required twenty (20) foot building setback.

e. Developer shall dedicate a fifteen foot wide utility and sidewalk easement on the north side of the existing right-of-way of Country Club Road.

• PRIOR TO THE ISSUANCE OF OCCUPANCY PERMITS

a. If required, all stormwater management devices shall be installed or improvements shall be made to existing stormwater facilities in this area in accordance with the Public Works Department of the City of Winston-Salem.

b. Developer shall close all existing curb cuts, widen the easternmost frontage of the property on Country Club Road, and install a sidewalk along the entire frontage of the property on Country Club Road to the specifications of the Public Works Department of the City of Winston-Salem.

c. Developer shall install any required turn lanes to City of Winston-Salem Department of Transportation specifications.

d. On site fire hydrants, if required, shall be installed in accordance with the City Fire Department.

e. Developer shall install a sidewalk as shown on the site plan to connect required off site parking areas to the subject office building along Cambridge Park Drive.

• OTHER REQUIREMENTS

a. One freestanding ground sign shall be permitted along the frontage on Country Club Road for this new building. Said sign shall be limited to monument type with a maximum height of five (5) feet and a maximum copy area of twenty (20) square feet.

CONFORMITY TO PLANS
GMP Area (*Vision 2005*): Area 3: Urban
Relevant Comprehensive Plan Recommendation(s): Separation and buffering of commercial and office uses from residential areas.
Area Plan/Development Guide: *Country Club/Jonestown Area Plan*
Relevant Development Guide Recommendation(s): The plan recommends low density residential uses at this location.

**ANALYSIS**

The subject petition was submitted as an amendment to the original site plan (Zoning Docket W-2302). The original site plan was comprised of two structures with a total square footage of 21,072. The proposed amendment is for a single building with 27,000 square feet. This increase in square footage requires a greater amount of parking, some of which the petitioner has proposed as off-site parking (as allowed by the ordinance).

The original petition was found to be consistent with Vision 2005. The original petition did not meet the land use objectives of the *Country Club/Jonestown Area Plan* but was determined to be an acceptable alternative based on the rezoning of other office properties in this area and other recent developments in the immediate area.

Staff is of the opinion that the visual impacts of the larger single building are mitigated by the grade change on the site and the proposed vegetation along the eastern property line. The petitioner has agreed to provide adequate pedestrian connections to the proposed off-site parking.

Staff finds that the site plan amendment is compatible with the surrounding area and recommends approval with the attached site plan conditions.

**FINDINGS**

1. The petition is consistent with Vision 2005.

2. The petition is an acceptable alternative to the area plan recommendations.

3. The original site plan was comprised of two structures with a smaller total square footage.

4. This increase in square footage requires a greater amount of parking, some of which the petitioner has proposed as off-site parking (as allowed by the ordinance).

5. The visual impact of a larger two-story structure has been mitigated by the change in topography and proposed vegetation.

**STAFF RECOMMENDATION**
Zoning: **APPROVAL**
Site Plan: Staff certifies that the site plan meets all code requirements, and recommends the following conditions:

- **PRIOR TO THE ISSUANCE OF GRADING PERMITS**
  a. Developer shall have a stormwater management study submitted for review by the Public Works Department of the City of Winston-Salem. If required, developer shall provide on-site stormwater improvements on this property or the developer may be able to improve other existing stormwater management devices in this drainage area without having to make those improvements on this property.

- **PRIOR TO THE ISSUANCE OF BUILDING PERMITS**
  a. A private street sign shall be installed at the intersection of Cambridge Park Drive and Country Club Road. Developer may request this sign and pay the fees to make the sign through the Planning staff.
  b. On-site fire hydrant locations shall be approved by the City Fire Department in writing to the Inspections Division.
  c. Loading and unloading spaces shall meet the requirements of UDO Section 3-3.6 or a reduction in size of these spaces must be approved by the Zoning Officer in accordance with subsection (C)(2) of the UDO.
  d. Easement for private drive on west side of building (Cambridge Park Drive) must be moved farther west from existing location to accommodate required twenty (20) foot building setback.
  e. Developer shall dedicate a fifteen foot wide utility and sidewalk easement on the north side of the existing right-of-way of Country Club Road.

- **PRIOR TO THE ISSUANCE OF OCCUPANCY PERMITS**

  e. Developer shall install a sidewalk as shown on the site plan to connect required off site parking areas to the subject office building along Cambridge Park Drive.

- **OTHER REQUIREMENTS**
  a. One freestanding ground sign shall be permitted along the frontage on Country
Club Road for this new building. Said sign shall be limited to monument type with a maximum height of five (5) feet and a maximum copy area of twenty (20) square feet.

[For information purposes only: The site lies within the Municipal Services Area of the Legacy Growth Management Plan, within the “suburban neighborhoods” portion. Compact growth characterized by infill development where possible is recommended for this Growth Management Area. The proposed rezoning would be consistent with the objectives of the draft Legacy Comprehensive Plan.]
