GREENWAY/RECREATION/OPEN SPACE REVIEW

Greenway Plan:  Vision 2005
Greenway/Trail Name:  Muddy Creek
Easement Requested:  40 feet
Side of Creek:  East
Is site designated for parks/open space?  No
Comments/Status of Trail:  See zoning docket F-1270 and subdivision 99038 for this parcel of land.  Condition required dedication of 40-foot greenway easement along Muddy Creek, centered on the existing 20-foot sewer easement.  Additionally 10-foot pedestrian easements from end of each cul-de-sac to the greenway easement are required.

ANALYSIS

Currently there is an annexation petition pending before the Board of Aldermen for approximately 64 acres, which includes the property in this rezoning request. The current rezoning request contains 13.35 acres; the adjoining zoning lot described in zoning docket W-2419 is also being petitioned for annexation. The property is located along the east side of Muddy Creek between Peace Haven Road and I-40.
This proposal will not change the permitted uses of the subject property, but will reclassify this newly incorporated property (once finalized) from its present Forsyth County zoning classification to the equivalent City of Winston-Salem zoning classification. The two zoning classifications are equivalent; there are no changes in development rights or constraints.

The property owner was notified of this zoning classification change by certified mail and the certified receipt is on file in the zoning docket.
